

GREETINGS TO THE EMMAUS COMMUNITY

June, the middle of the year, but as it turns out, it's the end of a year for me. This month ends my year as the community lay director for the Emmaus community. And as my year ends, it's time for me to thank the community and the board for all your service this year to our Lord and Savior. It has been quite a year and I do want to thank you all for serving this year in the kitchen, on logistics, registration or whatever you have served doing, know that all you do is greatly appreciated.

I also want to thank all who have served on teams throughout the year for your commitment to the Emmaus walk and the pilgrims you have served.

Last, I would like to thank the board for your time, energy and commitment you have given to the community. It is not easy to make the decisions that are not always popular with everyone, but they are things that need to be done for the good of the community and I applaud you for the things we have gotten done this year.

My prayer is that the community continues to grow and prosper, not only in new members, but in new leaders to serve Him. I want to thank those board members who have filled their commitment of the last three years, Wilma Southward, Sharon Williams, Cathie Finchum, Karen Coblentz, and Lizabeth Waugh. I thank you all for your time and energy you have given.

And last, but not least, I want to thank my good friend, who has served on the board for the last five years in one capacity or another, Larry McMahan. It has been my pleasure to have served with Larry during this time and I can say he has been here for just about everything that has went on for all this time. He has given his all for the community and we all owe him a big thank you. I say again, thanks for everything Larry.

As I close this letter, I want to remind you to keep Millie Luttrull and the team for WW#59 in your prayers as they continue to meet in preparation for the upcoming walk later this month. Also keep Jeff Cheeseman in prayer as he has been selected as Lay Director for the upcoming men's walk in August, so keep him in prayer as he starts putting the team together. I pray that you will all keep supporting the gatherings, we need to be in fellowship with other Christians, and I can't think of a better way than getting together and praising God.

God bless you all for all you do and I will see you in church,
John
