

A Message from your Community Lay Director

Are you staying busy with fall sports? High School and Youth sports and College Teams and Professional Football and Soccer. I'm on the run every day! How about you? We love our Team – Yes we do! How about?

We want a goal! We want to score! We want to win! We have a Team meal. We go here and there. We do this and that. What is our goal? Opps – good question. What is your goal?

The purpose of Emmaus is to renew the church as the body of the risen Christ in the world through development of leaders and renewal of Christians at faithful committed disciples of Jesus Christ.

We have a purpose and a goal. Our purpose is not only 3 days but a fourth day to be the hands and feet of Christ. Our fourth day goal is to be leaders and works in the church. Our goal is to pass the Torch to those coming behind us. We want a goal! Our goal is to pass the Torch to our families, friends, neighbors, co-workers and fellow sport fans. Be bold for Jesus. Serve the ball over the net, score a TD, kick the ball into the goal net, and make a long put, follow thru and remember what is important.

Our first Talk of the week—end is priorities. That hasn't changed and our purpose hasn't changed. Re—live and share your week—end. We have much in common. To get your motor running again just share your week—end!

To keep our community going we need to score some goals. To keep the Torch moving we need to pass it on and share. To see a glow on every face we need to sponsor someone. To have a week—end walk we need applications. The score is tied. Your challenge —Win one for the good guys—score. Be a Sponsor! Pass the baton! Light the Fire! Share!
